

WHERE ARE THE BAHAMAS?

The islands of The Bahamas are sprinkled over 100,000 square miles of ocean starting just 50 miles off the coast of Florida. The archipelago is an ecological oasis featuring 2,000 breathtaking islands and cays that boasts the clearest water on the planet. Incredible marine diversity is found right beside breathtaking white and pink sand. Scuba divers travel to find three things: dramatic walls, lush coral reefs and exciting animal encounters - and the Bahamas Out Islands offer all this! Warm, turquoise crystal-clear waters and drop-offs close to shore make these islands a diver's dream. Mysterious blue holes and caverns, shipwrecks and vibrant living reefs, soaring wall dives and thrilling shark encounters all await both novice and experienced divers.

ITINERARY

The Carib Dancer will cruise through the Exuma Cays Land and Sea Park bringing easy access to remote yet premier dive spots. The Exumas consist of an array of more than 350 small islands and cays. The crystal-clear tropical Atlantic pours over the deep cuts between the cays and constantly shifting sand bars. Waters are thick with coral reefs that are alive with every imaginable ocean critter from the living jewels - angelfish and butterfly fish - to the charismatic food-chain toppers like grouper and barracuda - right down to the tiniest living invertebrates. Night diving allows guests to experience an entirely different group of critters and bevy of behaviors not visible during the day. With all dives from the mothership, five dives a day are offered except for Friday. Diving begins Sunday morning and ends Friday before lunch when the Dancer returns to port (one dive is offered Friday). Be sure to remember the suggested 24 hour no-fly rules when planning your departure. The crew hosts a sunset cocktail party at 5:30 p.m. followed by dinner ashore. Saturday morning at 8:00 am is check out. The Captain can assist guests with organizing transportation to the Nassau International Airport or a local hotel. Throughout the week there will be opportunities to go ashore for swimming, snorkeling and beach combing.

GIS (GUEST INFORMATION SYSTEM)

The Reservations Office and the Carib Dancer require each guest to complete a Cruise Application and Waiver prior to departure and diving through our online GIS (Guest Information System). If you have not received a link to complete the online Guest Information System (GIS), please call a Dancer Fleet agent. Passengers who fail to complete it will be denied boarding. Many Dancer destinations require passenger information for itinerary approval.

INSURANCE

We strongly recommend each guest purchase comprehensive accident, medical, baggage and trip cancellation and interruption insurance when space is reserved. Trip insurance will protect you from financial disappointment if you are prevented from making your scheduled trip due to illness, family illness or in the event that unforeseen circumstances prevent the airline or yacht from making its scheduled trip. In the event you cancel your trip, be familiar with Dancer Fleet's cancellation policies, which can be found on www.dancerfleet.com. More information can be found on Diveassure or Divers Alert Network insurance on our website.

FEES & TAXES (per person)

Each guest must pay a \$100 US port and park fee onboard at the end of the charter when settling your bill. These may be paid by Visa, MC, cash or Travelers Checks.

HEALTH

The Carib Dancer has a comprehensive first aid kit onboard, including oxygen and an AED. You may want to bring motion sickness medication if you feel you will need it. We suggest you bring over-the-counter motion sickness medication or consult your doctor about prescription brands, such as the trans-dermal patch or Scopace tablets. Currents and winds may cause moderate movement of the yacht at times. We recommend a complete physical before your trip. There is a recompression chamber located in Nassau. Dancer Fleet yachts and their staff are unable to accept any medication brought onboard for safe keeping including those that require refrigeration. Should a guest have a medication requiring temperature control, they will need to travel with a travel cooling case or small storage cooler with several blue ice packets. The crew will be happy to store and recharge the blue ice but are unable to accept possession of or responsibility for the proper care and storage of medication. This should be kept in your stateroom. There is NO smoking allowed inside the yacht or on the dive deck. Smoking is only permitted on the rear of the sun deck.

The menu onboard is varied and plentiful, with a variety of American feasts, barbecues and local cuisine. If you have any special dietary requirements, please be sure these are noted when completing the GIS. You will awaken to fresh fruits, hot entrees, cereals and juices. are chef prepared and served each evening and include salads, vegetables, seafood, beef or chicken with a fresh homemade dessert. Once onboard, please speak to the chef about any special needs. Certain special dietary and beverage requests may not be available due to the remote nature of this location.

BEVERAGES

The Dancer's selection includes fruit juices, soft drinks, iced water, iced tea, coffee, and a limited selection of local beer and wine, which are complimentary. Due to the high duty charged on liquor, we suggest you bring your special brand from the U.S. Drinking and diving do not mix. Once you consume alcohol, you become a snorkeler until the next day.

CLOTHING

Please plan to travel light, as on all live-aboard dive yachts, space is limited. We recommend that you pack your gear in soft luggage such as a duffel bag for easy stowage and to add to your comfort in your cabin. Clothing should be lightweight, comfortable sportswear; sunscreen and swimsuits are a must. A light sweater or jacket is ideal for evenings. Dress is always casual and informal. Additional items you may want to bring are sunglasses and walking shoes for you time on shore.

ENTERTAINMENT

There is a variety of nightly entertainment, including diving, fish identification presentations, movies, games and more. If you have a favorite movie, digital presentation or a video to share, we encourage you to bring it along. The crew especially loves new releases of DVD's, movies, CD's, recent magazines and books. A small library of books for exchange is maintained onboard as well as fish identification books for reference.
