

Belize is home to the world's second largest barrier reef, ancient Mayan Ruins, spectacular rivers, rainforests and wildlife. It has three of the only four true coral atolls found in the hemisphere. The marine life that inhabits the barrier reef is extraordinary and diverse. It includes everything from schools of tarpon, turtles and stingrays to a wide variety of tropical species, and of course, the famous Blue Hole. The Blue Hole is a collapsed freshwater cave system that is approximately 1000 feet across and over 400 feet deep. It was made world famous by ocean pioneer Jacques-Yves Cousteau.

THE YACHTS INCLUDE:

ITINERARY

Throughout the week you will dive at Turneffe and Lighthouse Reef. Sheer walls like Painted Wall, Half Moon Caye Wall and Quebrada are adorned with huge crimson gorgonians and wandering, lilac rope sponges. Weather permitting; divers explore the mystical Blue Hole, a collapsed freshwater cave system. With all dives from the mother ship, five dives a day are the norm. Diving begins Sunday morning and ends Friday before lunch when the yachts return to port. The crew hosts a sunset cocktail party at 5:30 p.m. followed by dinner ashore (this is the only meal not included in the cruise). Saturday morning at 8:00 am, guests are transferred to the Belize Airport or a local hotel. Be sure to remember the suggested 24 hour no-fly rules when planning your departure. Throughout the week there will be opportunities to go ashore for swimming, snorkeling and beach combing.

WELCOME

As you prepare for your diving adventure, we extend a most hearty welcome. It is important to notify our office of last minute changes concerning your airline arrival and departure times or any changes in your address and telephone numbers. The enclosed information will assist you. Please download the most recent "Know Before You Go" before your vacation from our website. The Reservations Office and the yachts are in constant communication. In the event of an emergency, family and friends may contact you at the above numbers. If you need to reach the yacht, please call or e-mail the boat. There is a satellite phone onboard; however, it does not have a recorder. Phone cards can be purchased onboard to make phone calls or send/receive e-mails. (Wi-Fi can only be accessed when the yacht is at the dock, not during the cruise) To ensure the timely arrival of your luggage into Belize City, we recommend re-checking it at the ticket counter before your international departure to Belize City. Don't forget to use your luggage tags; they will help the crew identify your bags. We recommend you travel with a carry on bag with a change of clothes, bathing suit, medication and toiletries. In any case whereas your dive equipment is delayed, you will be provided with a 'Free' set of 3 loaner equipment. Having these few items with you can make an unexpected luggage delay more bearable.

PASSPORTS & DOCUMENTATION

Visitors must have a passport that is valid for at least 6 months beyond your period of stay, adequate funds to support themselves, and a return airline ticket to travel to Belize. It is the travelers' responsibility to ensure they have the proper documentation to travel into each country on his or her itinerary as well as for re-entry and return to their country. Please check with the appropriate consulate to ensure you have the proper documentation. Always check your passport and visa requirements. USA citizens may go to the USA Department of State website at www.travel.state.gov for more information. The website also has information for consulates by country to assist with requirements. There are special requirements for children leaving the USA and many countries have adopted requirements for the protection of children. Since regulations vary by country, contact your consulate or embassy of your country for the requirement. The Reservation Office and staff cannot assume responsibility for passengers not having correct documentation.

ARRIVAL (Saturday to Saturday)

The Belize Aggressor III and Sun Dancer II operate out of Belize City, Central America. Guests arriving in Belize on Saturday are greeted at the international airport by a crewmember in uniform who will have a "Belize Aggressor III and Sun Dancer II" sign. (transfers are not provided from the Belize City Municipal Airport) Our agent cannot enter Customs but will be just outside the door. Baggage handlers may aggressively offer to help with your luggage those few feet for a mandated per bag fee. Guests will be transported in an air-conditioned van to the yacht. Due to several flights arriving at the same time, the van will wait for all guests to arrive before departing the airport. Sometimes this can take over an hour for everyone to clear customs. Guests are welcome to take a taxi to the boat if they prefer not to wait. If you are already in Belize, please make your way to the yacht anytime after 3:00 p.m. Both yachts dock at the Radisson Fort George Hotel Dock and depart for the week after everyone is onboard Saturday evening. Airport Arrival into Belize: There are two complimentary transfers provided by the Belize Aggressor III and Sun Dancer II from the airport to Belize City at approximate 12 pm and 4:30 pm which may vary based on the flight arrival times. Most flights arrive around the same time. Guests may have to wait up to one hour for the shuttle; however, they may wait in the airport lounge which has free wi-fi. If guests prefer not to wait, they may take a taxi for approximately \$25 to the Radisson Fort George Hotel and wait until boarding time. Airport Departure from Belize: There are two complimentary shuttles from the yachts to the airport, one at 8:30 am from the yacht and 12:30 pm from the Radisson pool area. For guests arriving early in the day, Liveaboard Vacations, www.liveaboardvacations.com can arrange for a private car and driver for the day to meet guests with their luggage at the airport and journey out on a customer private tour to nearby ruins, the local zoo or other activities. In the event you arrive a day late, you can still board the boat by having the yacht agent hire a water taxi to transport you to the Belize Aggressor III or Sun Dancer II. The cost of this service ranges from USD \$300 to \$600 (cost is determined by the location of the yacht) and is the client's responsibility.

C-CARDS & DIVE THE WORLD CLUB

Remember to bring your c-card or proof of certification. The divemaster requires proof of certification before the first dive. If you are a repeat guest, you are automatically enrolled in the Dive the World Club and will receive onboard discounts. Your membership is indicated on the Captain's rooming list.

GIS (GUEST INFORMATION SYSTEM)

The Reservations Office, Belize Aggressor III and Sun Dancer II require each guest to complete a Cruise Application and Waiver prior to departure and diving through our online GIS (Guest

Information System). If you have not received a link to complete the online Guest Information System (GIS), please call an Aggressor or Dancer Fleet agent. Passengers who fail to complete it online will be denied boarding.

INSURANCE

We strongly recommend each guest purchase comprehensive accident, medical, baggage and trip cancellation and interruption insurance when space is reserved. Trip insurance will protect you from financial disappointment if you are prevented from making your scheduled trip due to illness, family illness or in the event that unforeseen circumstances prevent the airline or yacht from making its scheduled trip. In the event you cancel your trip, be familiar with Aggressor Fleet and Dancer Fleet's cancellation policies, which can be found on the websites. More information can be found on Diveassure or Divers Alert Network insurance on our websites.

FEES & TAXES (per person)

Each guest must pay a \$95 USD port fee (includes cruising tax and park fee) at the end of the charter when settling your bill. These may be paid by Visa, MC, cash or Travelers Checks.

HEALTH

The yachts have a first aid kit onboard, including oxygen and an AED. You may want to bring motion sickness medication if you feel you will need it. We suggest you bring over-the-counter motion sickness medication or consult your doctor about prescription brands, such as the transdermal patch or Scopace tablets. Currents and winds may cause moderate movement of the yacht at times. We recommend a complete physical before your trip. There are two recompression chambers located in Belize. The yachts and their staff are unable to accept any medication brought onboard for safe keeping including those that require refrigeration. Should a guest have a medication requiring temperature control, they will need to travel with a travel cooling case or small storage cooler with several blue ice packets. The crew will be happy to store and recharge the blue ice but are unable to accept possession of or responsibility for the proper care and storage of medication. This should be kept in your stateroom. Belize, like all Central and South American countries, has reported cases of malaria and dengue fever, therefore, medication is recommended for extended stays into the mainland. We suggest that you consult with your doctor. There is NO smoking allowed inside the yacht or on the dive deck. Smoking is only permitted on the rear of the sun deck.

The Belize Aggressor III and Sun Dancer II provide 80 cubic ft. tanks, weight belts and weights. The stern and platform area is very spacious. The boarding ladders were designed for convenience to allow divers easy entries and exits. Enjoy fresh water showers on the back deck after your dives and dry off with a warm towel. All diving onboard the Belize Aggressor III and Sun Dancer II should be within the limits and standards of the training agency that certified you. All dives should be planned no decompression dives.
