

## **Where is Komodo National Park, Wakatobi & the Forgotten Islands?**

The Komodo National Park is part of the Republic of Indonesia and is located 8 to 9 degrees south of the equator between Java on the West and Lombok and the rest of the Lesser Sunda Islands (Sumbawa, Flores, Sumba and Timor) on the East.

Komodo National Park is a World Heritage Site and one of the 7 New Wonders of the World. The Indonesian archipelago is spread over three time zones. Central Indonesia Standard Time covers East and South Kalimantan, Sulawesi, Bali and Nusa Tenggara, and is 8 hours ahead of GMT.

**Wakatobi National Park** is located southeast of Sulawesi between the Banda Sea to the northeast and the Flores Sea to the southwest. It consists of four larger islands: Wangi-Wangi, Kaledupa, Tomia and Binongko, as well as many small islands such as Tokobao, North Lintea, South Lintea, Kampenaune, Hoga and Tolandono. The water depth varies, with the deepest parts reaching 3425 feet.

**The Forgotten Islands** are part of Indonesia's south Maluku province, a region located at the extreme southeastern boundary of the country and less than 200 nautical miles from the northern tip of Australia. These cruises concentrate on the most unexplored regions of the country and will start or finish in either Maumere, on the north coastline of east Flores or at Saumlaki on Jamdena, the largest island of the Tanimbar group. These itineraries will give guests the opportunity to dive some of the fabulous sites of East Nusa Tenggara around Lembata, Pantar and Alor during the cruise as well as exploring the fascinating reefs, walls and topside scenery of the islands further east, the mysterious and rarely visited Forgotten Islands.

In the event you cancel your trip, be familiar with our cancellation policies. More information can be found on Diveassure or Divers Alert Network insurance on our website.

## **HEALTH**

The Indo Aggressor has a first aid kit onboard, including oxygen and an AED. You may want to bring motion sickness medication if you feel you will need it. We suggest you bring over-the-counter motion sickness medication or consult your doctor about prescription brands, such as the trans-dermal patch or Scopace tablets. Currents and winds may cause moderate movement of the yacht at times. We recommend a complete physical before your trip. There is a recompression chamber located in Bali.

Aggressor Fleet yachts and their staff are unable to accept any medication brought onboard for safe keeping including those that require refrigeration. Should a guest have a medication requiring temperature control, they will need to travel with a travel cooling case or small storage cooler with several blue ice packets. This should be kept in your stateroom. There is **NO** smoking allowed inside the yacht or on the dive deck. Smoking is only permitted on the sun deck.

## **THE YACHT**

8 knots and has 220-volt power onboard. Accommodations include 2 deluxe staterooms with queen bed, 2 master staterooms with two single beds or one asian king bed, and 4 twin staterooms with two twin bunk beds (European style). All staterooms have climate controls.

Diving amenities include Nitrox (unlimited Nitrox is \$100 per 7 night charter/ \$150 per 10 night charter), camera table, and fresh water showers. The yacht is not responsible for lost, damaged or stolen items. We highly recommend extreme caution and care be taken if you plan to travel onboard with electronic equipment. This equipment should always be stowed after use to avoid the risk of damage.

## **FOOD**

The menu onboard is varied and plentiful, with a variety of American feasts and local cuisine. If you have any special dietary requirements, please be sure these are noted when completing the GIS. You will awaken to fresh fruits, hot entrees, cereals and juices. Lunches are buffet-style featuring delicious local cuisine. Chef-prepared dinners are served each evening and include salads, vegetables, seafood, beef or chicken with a fresh homemade dessert. Once onboard, please speak to the chef about any special needs. Certain special dietary and beverage requests may not be available due to the remote nature of this location.

## **BEVERAGES**

The Aggressor's selection includes fruit juices, soft drinks, iced water, iced tea, coffee, and a limited selection of local beer and wine (one glass of wine is served with dinner), which are complimentary. Due to the high duty charged on liquor, we suggest you bring your special brand from the U.S. Due to local regulations; the bar will be closed while the boat is in port. Drinking and diving do not mix. Once you consume alcohol, you become a snorkeler until the next day.

## **CLOTHING**

Please plan to travel light, as on all live-aboard dive yachts, space is limited. We recommend that you pack your gear in soft luggage such as a duffel bag for easy stowage and to add to your comfort in your cabin. Clothing should be lightweight, comfortable sportswear; sunscreen and swimsuits are a must. A light sweater or jacket is ideal for evenings. Dress is always casual and informal. Additional items you may want to bring are sunglasses and walking shoes for you time on shore.

**IMPORTANT:** If guests are traveling through the Narita, Tokyo Airport, Japan; please

note that they require all lithium batteries to be removed from the device they are intended for and the batteries placed in your **CARRY-ON** luggage. Failure to have them in your carry-on may delay your travels while they pull your luggage when screened.

## **ENTERTAINMENT**

There is a variety of nightly entertainment, including diving, movies, games and more. If you have a favorite movie, digital presentation or a video to share, we encourage you to bring it along. The crew especially loves new releases of DVD's, movies, CD's, recent magazines and books. A small library of books for exchange is maintained onboard as well as fish identification books for reference.

## **CELEBRATING A SPECIAL OCCASION**

Whether it's your anniversary, birthday, honeymoon, wedding or you are celebrating a 100<sup>th</sup> dive, please let us know so the crew can celebrate your occasion. Kindly advise the US office prior to traveling so the crew is notified in advance.

## **DIVING CONDITIONS**

Any time of the year this area of Indonesia offers good diving. Visibility may vary from season to season but 10 to 30 meters (35 to 100 ft.) can be expected at most dive sites. Water temperatures can vary greatly within the park ranging from a low of 72F (22C) in the south to a high of 84F (29C) in the northern region. A 3-5mm wetsuit with hood is recommended year round. All diving is from tenders. Guests are also suggested to bring reef hooks for use at some dive spots.

## **DIVING**

The crew of the Indo Aggressor, with their unique combination of talents, offers the ultimate service. While onboard, you may pick a buddy of your choice, or dive with one of the crewmembers. The yacht offers three to four dives per day depending on itinerary (2 on the last day) including night dives. The Indo Aggressor provides 80 cubic ft. tanks with DIN/yoke adaptable valves, weight belts and weights. (two 100 cu ft tanks are available upon request)

Tender diving is the rule rather than the exception. All dives will be made from two dive tenders. Guests board the tender and then don their gear at the dive site. Enjoy fresh water showers on the back deck after your dives and dry off with a warm towel.

All diving onboard the Indo Aggressor should be within the limits and standards of the training agency that certified you. All dives should be planned no decompression dives.

*The Indo Aggressor requires that every diver carry a Surface Marker Buoy or SMB, also known as a safety sausage, signal tube, or surface marker on every dive to comply with dive safety standards. An SMB is an important safety accessory for every diver regardless of where you are scuba diving.*

## **DIVING SUPERVISION**

You've chosen a liveboard vacation for the diving freedom that it offers. While in the

water, you and your buddy are in charge. Every dive starts with a dive briefing from our staff. However, as a certified diver, you and your buddy are responsible for planning and conducting your own dives within the limitations set forth by the briefing. Our staff will be on the dive deck providing surface support for divers. We will also have staff in the water offering support, u/w photography and videography, and critter spotting services as well. On some dive sites a staff member will offer to lead a group and assist them in locating specific points of interest. However, the yacht does not offer direct supervision of dives. If you start out with a group, as long as you and your buddy remain in contact with each other and are ok – you may follow your own dive plan. Divers who desire more personal attention and structured/supervised dives should consider taking one of our numerous specialty courses. An underlying skill featured in all of specialty training is planning, executing, and debriefing after your dive in order to build a more confident diver.

## **DIVE GEAR SUGGESTIONS**

We suggest you pack the following: mask, fins, snorkel, regulator with pressure gauge, depth gauge, buoyancy compensator, dive computer, dive light, mirror, safety sausage, Dive Alert and/or other safety devices. Dive computers are mandatory for each guest. Each piece of gear should be marked with waterproof paint or tape.

## **CONSERVATION LAWS**

Conservation laws do not permit spear fishing or collecting.

## **RENTAL DIVE EQUIPMENT**

A full line of rental gear is available aboard including regulators, BCs, dive computers, and night-lights.

Due to the numerous connecting flights and excess baggage charges to arrive at the destination, we highly recommend you rent dive equipment onboard to avoid disappointment in case of delayed arrival. The yacht rents a full line of Aqualung dive equipment and offers a 10% discount on full rent if booked in advance.

## **CERTIFICATION & SPECIALTY COURSES**

Several diving specialty courses are offered onboard including Nitrox, Advanced Open Water, UW Photography and more. Check-out dives are offered as well. A list of available courses and prices are available on our website.

## **PHOTO/VIDEO EQUIPMENT**

The Indo Aggressor offers a complete digital photo facility. The photo pro is available for free coaching with equipment rental. The Indo Aggressor offers Olympus TG4 systems available for rent. The Indo Aggressor has a 110-volt strobe charging station and a large camera table available for your camera and video equipment. Guests should bring their own battery chargers.

## **UNDERWATER VIDEO/DVD**

Our Video Professional can capture your diving adventure onboard the Indo Aggressor to share with family and friends. Video of the week/DVD (includes all guests and crew) are USD \$65 per person.

## **SHIPS BOUTIQUE & CREDIT CARDS**

There is a mini-boutique onboard, which sells a selection of logo clothing including t-shirts, caps, CD's and miscellaneous items. One day during the week, the crew will have a 'boutique day'. The Indo Aggressor accepts cash, Visa & MasterCard. Sorry, no personal checks, Travelers Checks, Amex or Discover Cards. Purchases and transactions on board the vessel are subject to local taxes and charges. Credit card payments made on board the vessel incur 3% service charge. Many credit card companies are charging a conversion fee. If this happens to you, please contact your credit card company.

The yacht will only accept USD bills that are dated after 2006 due to the banking regulations.

## **GRATUITIES**

Crew gratuities are not included in the charter. We believe gratuities should be voluntary and based upon the quality of service the crew has provided. When settling your account the Captain will have an envelope for gratuities that will be divided equally among the crew. Payment can be made by cash or credit card.

## **CHECKOUT**

Final disembarkation will occur between 8:00 am –1:00 pm at the end of the charter. Guests will be transported to the airport. If necessary, additional transfers from the Bali airport to your hotel can be purchased ahead of time.

For any guest choosing to extend their stay our staff will be happy to organize tours to give you time to off-gas and enjoy the land sites that Bali has to offer. All tours are at an additional charge, but are highly recommended.

**Wishing you a wonderful vacation. Please don't hesitate to call or email us if you have any questions.**
