## Insurances:

We strongly recommend all guest to hold an adequate, valid travel insurance (covering accidents, medical treatments, lost baggage and/or trip cancellation/interruption) **An insurance that covers diving activities for the type of scuba diving they are undertaking is mandatory and must be present on check in.** King Snefro Fleet as the service provider is not liable for any financial costs incurred.

## Transfers :

Only direct transfer to and from the liveboard at the given embarkation and disembarkation times inside Sharm El Sheikh are included with the liveboard booking. Transfer are shared transfers, not private transfers. The actual pick up time might vary slightly as delays could occur while picking up other customers joining the transfer. Guest have to wait at the hotel lobby or at the airport pick up point (according to booking, for Transfer only **meeting point is in front of arrival hall**. Guides are presenting a welcome sign stating King Snefro Fleet and Client or/and Groupname beside the name of the booking travel agency. Call the emergency number given only if the delay is greater than 15 minutes. Guests departing on International flight are required to be at the airport about 3 hours before their flight and 2 hours before a domestic flight.

## Alcohol and Diving:

Beer & wine taken from the onboard stock are charged extra (payable cash onboard). Guests are allowed to bring their own alcohol onboard. Guests will not be permitted to dive after consuming alcohol or under the influence of a hangover. This seriously impairs judgment and increases the risk of decompression sickness. If guides decide that guests are unfit to dive they will be asked to sit out the dive. Safety comes first so this request by guides will only be made to avoid accidents and for the safety of guests.

## Behaviour on board:

Serious Anti-social or aggressive behaviour towards crew, guides and/or other guests on board will not be tolerated and individuals who cause a disturbance may be removed from the boat on their own expenses.

## Important Information:

All divers are required to show valid certification, logbook and to sign a medical statement and liability release form prior to the boat's departure. If medical clearance is needed (if guest can answer a question with yes) doctor's clearance (signed and stamped) **must** be arranged **prior** to check-in. **Visiting a doctor to get medical clearance might not be possible or will result in delay of departure.** If doctor's clearance is not provided, guests will not be allowed to join any diving activities.

Guests that have not been diving for more than 1 year before check-in to the liveboard should complete a scuba review signed in their logbook (adhere to the recommendations made by certifying training agency). Diving activities can be restricted if the guide has any doubts about divers safety and/or qualifications. We strongly recommend all divers to hold a valid travel insurance that covers diving activities; the service provider is **not** liable for their medical treatments in case of an accident or an incident.

Participation in diving activities can be restricted if the guide has any doubts about divers safety and/or qualifications. It depends on qualification and experience of each guest. The responsible dive guide on board may restrict diving activities in the interest of safety, if the experience level is not suitable for difficult dives.

## Diving Level minimum requirements:

You need to be at least a PADI Open Water certified diver or equivalent and have 15 logged dives. PADI Advanced Open Water diver or equivalent is needed for wreck penetration dives and some of the more experienced dive sites visited. You must have dived in the last year and recorded this in your log book; if needed a Scuba Review is available on board (extra charge, to be prebooked). PADI OWD's are able to join the night dives if they have previous night dives logged.

*Mini Safaris, Sinai Classic:* OWD and 15 logged dives \*)

\*) Thistlegorm min. 20 dives, AOWD level or proof of experience needed for some wrecks visited *Wreck Safaris, Deep North:* AOWD and 30 logged dives

*Brothers and Marine Park Safari in the South:* min. 50 logged dives (according to local regulations)

## Safety & Equipment:

All divers are required to show valid certification, logbook and to sign a medical statement and liability release form prior to the boat's departure. If medical clearance is needed **(if guest can answer a question with yes) doctor's clearance (signed & stamped by doctor, not older than one year) must be arranged prior to check-in.** Visiting a doctor to get medical clearance might not be possible or will result in delay of departure. If doctor's clearance is not provided, guests will not be allowed to join any diving activities.

Guests that have not been diving for more than 1 year before check-in should complete a scuba review signed in their logbook. ### **Diving Equipment:**

We request each diver to use a dive computer, it is **mandatory to carry a Surface Marker Buoy at each dive and a torch at any night dive**. Decompression diving is not permitted on recreational diving safaris. Solo diving is strictly prohibited.

### **Gear Rental:**

Diving gear should be pre booked to ensure availability, in special during peak seasons. Please include height, weight and shoe size to arrange suitable gear. Rental gear will be ready on board upon embarkation, should be checked and advised if any item is not fitting. These will be changed before leaving the port. Each guest has to inspect rental equipment and check for good working order and to be free of defects before first use. Any damage or loss happened while rental gear is under responsibility of the guest should be immediately reported to the guide on board. Guide will advise extra cost for lost items.

### **Guest details requested for booking:**

To prepare your holidays in the best way, below details are required with booking confirmation but latest 14 days before departure for each person. Important: Guests have to travel on the same documents that have been given with reservation (e.g. in case they are holding 2 passports). If there are any changes within travel documents, information has to be sent immediately. In case full guest details are not received 10 days prior to departure, an additional fee of 20 € (per booked guest with uncompleted details) will be charged.

### **Internet:**

Some of King Snefro Fleet liveboards are equipped with Wi-Fi free of charge. This service is available **only** when a mobile signal is present usually only nearby or in port and dependent on the local mobile provider. This service is for limited internet browsing and to connect with communication applications. Automatic updates must be deactivated during the cruise. Even on land upload/download availability and speed is very limited, we ask guests to refrain from transferring large files. Signal strength can vary which often result in intermittent, slow or no connections.
